SUMMARY

AI & DS student with a strong background in Front end web development (HTML, CSS, JavaScript) and programming (C++), complemented by practical experience as a Data Science intern at Brainovision Solutions India Pvt. Seeking a role in IT support to leverage my skills and contribute to dynamic teams and eager to learn about new & emerging technologies.

EXPERIENCE

Internship as a Data Science Student

BRAINOVISION SOLUTIONS INDIA PVT 📅 01/2024 - Present 📍 Pune

Data Science intern at Brainovision Pvt Ltd, undergoing advanced analytics and machine learning training, actively involved in hands-on projects for data preprocessing, modeling, and interpretation.

Web Developer Intern

CODSOFT 📅 12/2023 - 01/2024 📍 Location

Web Development intern at CodSoft, successfully completed three impactful projects: a captivating landing page, a professional portfolio website, and a functional calculator using basic JavaScript.

PROJECTS

Portfolio Website

<https://portfoliosumeet.netlify.app/>

Dynamic portfolio website showcasing my skills in web development using HTML, CSS, and JavaScript. Striking design, seamless navigation, and interactive features demonstrate my proficiency. Explore my work and discover a blend of creativity and technical expertise.

Online Multi Vendor System

Led front-end development for an Online Multi-Vendor System, ensuring a visually appealing and intuitive interface for vendors and customers, fostering smooth e-commerce interactions.

ACHIEVEMENTS

- 🔧 Actively participated in various technical events at inter-department level
- 🏆 Recently Joined the GDSC Student community of AISSMS IOIT

CERTIFICATIONS

HTML,CSS & JS

Proficient in HTML, CSS, and foundational JavaScript, as demonstrated through completion of a comprehensive Udemy course.

Intoduction to Data Science

Completed "Introduction to Data Science" on Great Learning, solidifying foundational knowledge and skills in data science.
